

## SEPARATION

*There is no love like  
The love of a child*

*I witnessed that  
It was time for me to go*

*She knew it  
The arms around my neck tightened*

*Her head leaned down  
There was no stop at a frown*

*Directly to tears  
Her big sister grabbed my hand*

*Looked into my eye's  
There was already moister filling hers*

*They both wanted me to stay  
Circumstances wouldn't permit*

*I quickly kissed my girls  
And took off before they could see daddy's tears*

*You see I feel this pain of "Separation" too*
